INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

George Brewer being first duly sworn in behalf of James G. Brewer, deposes and says:

That I am 60 years of age and am the father of James Brewer and he claims his Indian descent through my wife, Susan Brewer. Her maiden name was Denham. She died about 1885 and was 35 when she died. Her mother claimed the Indian. Her name was Caroline Denham. Caroline Denham's brothers were Roland and Willoughby. My wife never lived with the Indians as a member of the tribe. Don't know whether her parents ever lived with the Indians or not. My wife never received any money from the government and was never on any roll that I know of. She was recognized as a white woman in the community. She was about 1/4 Cherokee. She was born and raised in East Tenn. - in Claiborn Co. She died in Pulaski Co., Ky. Don't know where my wife's mother was born and raised, but think it was in N. C. near the Tenn. line, I think. Don't know why they were never on any Indian rolls. Caroline Denham's maiden name was Denham. My son never made application to the Dawes Commission. Wife of applicant is a white woman.

Daniel W. Bowers being first duly sworn, deposes and says:

My name is Daniel W. Bowers. I live at Wynum, Ga. I was born in 1846 in Union Co., Ga. I claim Indian blood through my mother, Elizabeth Bethie, her maiden name was this, and through her mother, who was a Indian. My mother died in 1883, and was about 74 when she died. She was born in N. C. ~~xxxxxx~~ In Cherokee Co. My grandmother was born and raised in N. C. too. My grand mother, mother and I never got any money or land from the Govt. on account of our Indian blood. My mother and grandmother lived in N. C. as white people, among the Indians. I don't know whether my mother and grandmother were enrolled or not. I have heard my mother speak about the enrolling agent being around when I was four or five years old. Then the Indians were driven away from here my mother and grandmother were living in Union Co., Ga. I don't remember anything special that they told me about the Indians being driven away. They did not go away with them. I don't know why they did not go. They were not driven away with the Indians. It was only the full bloods and the half breeds that did go with them. My mother and I were living in Union Co. in 1851. We were living in Union Co., Ga. in 1882.

James M. Brock, after being first duly sworn,
deposes and says:

I am 54 years of age; was born in Iowa. I claim Cherokee Indian blood through my father. He was born in Eastern Tennessee. My father never got any Indian money from the government. I am not a Cherokee slave and have never received any Indian money. I have never tried to get any Indian money before this time. I first heard of my Indian blood when I was about 14 years of age. I was living in Kansas then and one of my aunts told me. My father left Tennessee about 1851 or 1853. I never saw my grandparents.

August 31, 1907.

Mrs. O. R. Lowery,

Atmore,

Alabama.

Madam:-

Replying to your letter of August 29, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Mr. John D. Beck has never been employed by this office to file claims for Eastern Cherokee claimants, and is in no way connected with the Indian Bureau.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Hon. Guion Miller,
Special Commissioner of Court of Claims, etc.,
Washington, D. C.

Dear Sir:-

This is to acknowledge the receipt of your communication dated June 4th, 1907. Covering eight blanks for supplemental applications for minor children also abstract of decrees. Enclosed you will find two applications, one of Ellen Green, nee Oxendine, No. 18418 also the application of Rosalie Goble nee Oxendine No. 18418. These applications contain the information which you ^{desire} ~~see~~ as I understand it. The other two applications with you from this family, namely, that of Attie Allen, No. 18416, and Arthur C. Oxendine, No. 21101, have no other minor children to report.

I would like to call your attention to the fact that there are four other adults belonging to this family now living, three of the e are living in the vicinity of San Francisco, the fourth one being the father of all these claimants. He being occupied as a miner in the vicinity of Albuquerque, N. M. I prepared the necessary blanks for the Father and these other three adults, and forwarded them by mail with full instructions two months ago. The Father replied that he had been told that he would receive nothing and didn't care to spend any money in perfecting his claim, although I have made no charges whatever against any of these claimants, so far, telling them I would assume all necessary expenses until a settlement, if a settlement there is to be.

The three adults near San Francisco take substantially the same position, namely, that they do not care to pay any attention to this matter, although one or more of them have minor children. I wrote to all of them upon receipt of your letter of June 4th,

1 conveying the intelligence received from you, advising them to
2 take action at once and perfect their claims, adding that I
3 thought they were making a mistake by neglecting this matter. I
4 also wrote that I could not assure them that they would be
5 successful, and as I understand it, it would not be proper for
6 me to ask that information of your Department.

7 This Oxendine family appear to be very intelligent people
8 and a number of them have received a liberal education under
9 your Department for the place they occupy in the community.
10 Though they are all possessed of no financial ability to push
11 these claims of their own motion. If it is your wish to get the
12 other members of this family, or rather the members that have
13 failed to prove, I would be pleased to take your directions. I
14 will also be pleased to furnish to you any credentials that you
15 may require as to my integrity or standing. Am a Veteran of the
16 Civil War.

17 Very respectfully,

Hon. F. E. Leupp,
Commissioner Of Indian Affairs,
Washington, D. C.

Sir:

Enclosed you will find the Affidavit of one Mrs Attie Allen who makes application for further times etc;

This Attie Allen, born Oxendine or Aixendine, also her father and mother, were born in North Carolina at the Indian Settlement, and were known as Eastern Cherokees. In the regular application we can make these matter clear, in the event of an allowance of additional time.

This Attie Allen was for two years at the Indian School in Albuquerque, New Mexico, under Sup't McCowan, as captain. She was then transferred to the Indian School at Phoenix, Ariz, being a Major there for three years under Supt's McCowan and Hall.

The Inspector of Indian affairs at Phoenix assured that she was duly enrolled as an Eastern Cherokee, etc. Sup't Hall, I understand is now at Riverside, to whom she refers. I notice in a book, called a "History of the Cherokees Indians. U. C. This family name of Oxendine or Aixendine appears and they are designated as Cherokees.

At any rate, if she is allowed to prove her alleged claim, we will of course, furnish the necessary particulars as far as can be done.

The writer is a Civil War Veteran.

Very truly,

App. #18424.

June 17, 1907.

Mrs. Veda Black,
1016 Commercial Street,
Nevada, Missouri.

Madam:-

Replying to your letter of recent date, you are advised that it will not be necessary for you to file a supplemental application for your minor child, as we find you have heretofore filed an application in his behalf.

These applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

App. #18443.

July 17, 1907.

Milton J. Metcalf,
Tullahoma,
Tennessee.

Sir:-

Your letter of recent date, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If any further information is required in connection with your application you will be duly notified.

Very respectfully,

NLC.

Special Commissioner.

Sir:-

Replying to your letter of September 10, 1907, you are again advised that it is impossible to state, at the present time, whether or not you are entitled to share in the Eastern Cherokee fund, as your application has not been reached for final determination.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

When your application is reached for final consideration you will be notified if there is any further information required in connection with the same.

Very respectfully,

Special Commissioner.

Cartersville Mo March 10 1858

To the commissioners of the Court of
Claims, Washington D.C.

I recieved your letter of 5th
relation to my claim and asking
for more evidence, I believed I have
sent all my proof to the Court of Claim
after filling out those blank papers
I afterwards sent to you in August
of last year all the sworn affidavits
proving my Indian blood clear back
to the Downing The papers are
headed the Mary J Corbett Claim -
my grandmother's name So please
look those papers up as they are

all we have of them. For my grandmother kept trace of her Ancesters during her life time so if you find them there kindly let me know, But for fear you will not find those papers I will try and answer those questions as far as I have the knowledge. Now Jack and Ulicie L owning were dead in the year of 1835 died on the Reservation in Georgia. And my Great great grandmother was living in Tenn. in 1834, 35. Her name was Ann Connely in 1834 & 35. The only reason I can give for Ann Connely not being enrolled is as I have often heard my grandmother who is now dead speak of

of one of my grandparents joining away
 and leaving her tribe of Indian
 during their removal west that
 was how they came to be in Tennessee.
 My great grandmother Anne Connelly
 moved from Tennessee between the years
 of 1838; 1842 to Illinois. She was
 living in Tennessee in 1834, 35. The reason
 my grandparents and mother was not
 enrolled with the Eastern Cherokees in
 1851. They were living in Illinois at
 that time. My grandmother & great
 grandmother mother and myself
 have always been recognized as
 Eastern Cherokee by birth as also
 our I looks shows we have the true blood

X

My parents nor any of my ancestors
were never Slaves, as there are no
negro blood in our family.

Yours Respectfully
Amy Crooks
Cartersville
Mo.

P.S. Please look up those
papers and let me know
if you find them and if not
I will try and get more direct
proof,

Appl. #18449-18444

Mahala Maudy being first duly sworn, deposes and says:

My name is Mahala Maudy. I live Cartersville, Mo. I was born in 1847 at Jefferson Co. Ill. My father's name was William Corbitt. I claim my Indian blood through my mother. Her name was Mary Conley before she was married. ~~Her maiden name was Mary Conley.~~ She did not have any Indian name but Conley. She was born in the middle part of Tenn. near Nashville, Tenn. She died in 1896 and was 73 years old. In 1835 she was living in Tenn. ~~She was never enrolled.~~ ~~I made a mistake I think my mother was living in Ill. in 1835.~~ My mother never lived with the Indians as a member of the tribe. She was never enrolled. Her mother was a Cherokee. Her maiden name was Harper. (Ann) Her mother's name before she was married was a Downing. I don't know her Christian name. I mean my great grandmother's name was Downing. Since I have heard some one say it, I recollect that her name was Ailsie. Her husband's (Ailsie Downing's) name was Jack Downing. They were both full blooded Cherokee Indians. My grandmother died along about the time the war was going on 1860 or long there. She was say in 70 when she died. She must have been born before 1790.

Answering inquiries on opposite page I beg to state
1) In 1882 I resided in this, Madison Co Tenn.
I was then about 20 years old (born in 1862)
& had no knowledge or information of enrollment
at that time.

2) My parents were in this County in 1834-35
& do not know why they were not en-
rolled. My grandparents were also in
this County in 1834-35.

3) None of my ancestors were slaves; They
had no mixed blood except white and
Indian (Cherokee).

Mary D. Jenkins being first duly sworn, deposes and says:

That I am 42 years of age and live in Mc Minn Co., Tenn. I claim my Indian descent through my father and my grandfather. The rest of my ancestors were white people. My mother was a white woman and my husband is a white man. My father was born in N.C., but I don't know the county. He left N. C. about 1822 when he was about 11 years old. He came to Mc Minn Co., Tenn. My father's father died in 1861. He came west with my father. My father claimed to belong to the Cherokee tribe but I don't know how much he claimed. He lived with the Indians but I don't know where. He could talk some Indian. My father and grandfather were never on any rolls that I know of. I don't think that my father ever lived with the Indians. He helped gather the Indians up when they were taken away from here. He was a soldier at that time, and my mother drew a pension as his widow. We are recognized as white people in the community.

Dear Sir:-

In regard to your letter of March 5th, I beg to say that in the year 1882 I lived two miles west of Greensboro Georgia in Green County, and why I was not enrolled I cannot say, other than no opportunity had permitted itself. At 1851 at such tender age I cannot say why my parents were not enrolled.

My parents resided in 1834-35 in Greenclark County near Salem Georgia.. I am unable to say where my grandparents were in 1834-35. My father was a slave of white people, as far as I have been told by Indians who knew my father that my grandparents were not slaves, but real Indians, and as far as my father he was stolen when he was quite young, and was brought to Greenclark County, and sold to Berry Swenney, near Doodle Creek and Ocona River..

Yours very truly

That I am 61 years of age and live in Pickens Co., Ga. I claim my Indian descent through my father and his father. My mother was white. All of my grandparents but Adam Yother were white. My father and his father were both named Adam Yother, sometimes spelled Yather. My father was born in N. C. but I don't know what county or what part of the state. I don't know where my grandfather was born and raised. My father nor his father were never on any rolls that I know of. They never lived with the Indians that I know of. My father claimed 1/4 Cherokee. I am recognized in the community as white with some Indian blood. My father and his father did not to my knowledge ever receive any money. I was never on any roll myself and have never made any other application. Most all I know or that anybody knows about my ancestors is that they claimed to be Cherokee descent. My wife is a white woman. All of my brothers and sisters and children that have married have married white people.

Miscellaneous.

Dora Hastings being first duly sworn deposes and says:

I am 41 years of age, and live near Kernerville, Forsythe County, N.C., and have lived here all my life. Eliza L. Stafford is my mother. I heard her testimony relative to this matter, and, so far as I know her testimony is correct except in reference to the question as to whether we had ever claimed to be Cherokees before this present enrolment matter came up. I would state that back in 1884 an agent came through here and said that one branch of our family had received land in the Indian Territory and if they were entitled to it, we were also. This other branch of the family claimed Indian descent through the same Mary Saunders who married Joel Saunders, as spoken of by my mother. I remember my grandmother who died about 17 or 18 years ago. I remember hearing her speak of her Indian blood often. I have heard her say that Joel Saunders married an Indian she had always heard. Joel Saunders was my great grandmother. I think Joel Saunders and his wife lived in Guilford County.

EASTERN CHEROKEE
Rec. JUL 2 1907
No. 18487

App. #18487.

July 11, 1907.

Mrs. Mary Johnson,
Bartlesville,
Indian Territory.

Madam:-

Replying to your letter of June 27, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state just how much each successful claimant will receive.

As there are already over 28,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

There are no lands to be allotted in connection with this fund.

Very respectfully,

NLC.

Special Commissioner.

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

#18493.

My name is Isabella Overman, and I am 51 years old. I claim my Cherokee Indian descent through my mother/ Lane ~~Tamm~~ Thrum, nee Shrum. She died about 85 years ago. She died in St. Francis County, Mo. She was probably 90 years old at the time of her death. She was born either in N.C. or S. C. I do not know which. She went to Mo. at the time of that drive, when they drove the Indians out of the country. She saw so many pale faces coming from ~~Ark. north~~ that she would not fetch her children here. She was a full blooded Cherokee Indian woman. Her father was old Henry Shrum. He died up in St. Francis County, Mo. He never got any money from the Government. My mother used to tell us that there was money and lands coming to us, but we never got anything. I claim to be a 1/2 blood Cherokee Indian. My father was a white man.

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state where you resided in 1832, and why you were not enrolled at that time.

My mother was the parent through whom you claim not enrolled in 1851, and there was no one else residing in 1832-33, as living at that time. There were your mother and father on the roll through which you claim enrollment in 1832-33.

If your mother or father were alive, there would be no other names of persons in the roll.

Miscellaneous.

Eliza Louisa Stafford being first duly sworn deposes and says:

I live in Forsythe County near Turnerville. I have lived there all my life. I am 76 years old. I have good health and memory. I have always heard through my mother that I have Indian blood. I think my Indian blood is Cherokee, although I did not pay much attention to it in my younger days. I never claimed to be an Indian as a member of the tribe. I never had any talks with Indians who were well known members of the tribe. My mother was Hannah Jones and married a Hendrix, and I married a Stafford. My grandmother on my mother's side was a Brook. My grandmother was a Brook before marriage and married a Jones. She died since I was married. I never heard my grandmother speak of being an Indian but I have heard my mother talk often about it. I have heard my mother say that Joel Sanders married a wife who was of Indian descent. I think Joel Sanders was my mother's great grandfather. I think his wife was a Cherokee Indian. My mother has been dead 17 or 18 years, and I heard her talk about this shortly before her death. I do not recollect anything about an enrollment of Cherokee Indians in 1851. None of my family received any money from the Government at that time. I never heard my mother speak of receiving money from the Government on account of her Cherokee blood. I did not hear my grandmother say anything about receiving money as a Cherokee Indian. I would have known if they had received anything. I never heard them speak of being enrolled as Cherokees by an enrolling agent. Before this matter came up, I never heard anything special about being a Cherokee Indian, and never lived with the tribe. I have seen Cherokee Indians here. They were going to Raleigh after their pensions and said they were Cherokees. My mother was born and raised in this county also, and my grandmother was raised here too, so far as I know. I have four children living. My youngest daughter, Dora Hastings, is now present.
